ARTICLE 1 - PREMISES; COMMON AREAS

Landlord leases to Tenant, and Tenant leases from Landlord, the Premises identified in the Basic Lease Provisions. Tenant shall have the non-exclusive right, in common with other occupants, to use driveways, parking fields, sidewalks, loading areas and other Common Areas designated by Landlord. Landlord may alter the Common Areas from time to time so long as reasonable access to the Premises, visibility from principal access drives, and the aggregate parking serving the Shopping Center are not materially impaired.

ARTICLE 2 - TERM; DELIVERY; HOLDOVER

The Term commenced January 1, 2018 and, unless sooner terminated pursuant to an express right contained in this Lease, shall expire at 11:59 p.m. on December 31, 2033. Tenant accepted the Premises following Landlord's completion of agreed delivery work. Any holdover without a written extension shall be a tenancy at sufferance at 150% of the Base Rent then payable, together with all Additional Rent.

ARTICLE 3 - USE; OPERATIONS

Tenant may use the Premises as a full-service grocery market, including pharmacy counter, prepared foods, floral, bakery, beer and wine sales where lawful, pickup/delivery staging and other uses customarily incidental to a modern grocery store. Tenant shall not create a nuisance or use the Premises for unlawful purposes. Subject to casualty, force majeure, remodeling and other express exceptions, Tenant shall use commercially reasonable efforts to operate during customary grocery-store hours.

ARTICLE 4 - BASE RENT

Base Rent shall be paid monthly in advance on the first day of each month. Annual Base Rent shall be: (i) $578,000 from January 1, 2018 through December 31, 2022; (ii) $629,000 from January 1, 2023 through December 31, 2027; (iii) $660,450 from January 1, 2028 through December 31, 2032; and (iv) $693,473 from January 1, 2033 through December 31, 2033. Base Rent for a partial month shall be prorated.

ARTICLE 5 - COMMON AREA COSTS

Tenant shall pay Tenant's Proportionate Share of reasonable costs incurred by Landlord to operate, maintain, repair, illuminate, landscape, clean and secure the Common Areas. Common Area Costs exclude debt service, depreciation, leasing commissions, tenant improvement allowances, costs attributable solely to another tenant, costs reimbursed by insurance, Landlord's income taxes, and capital expenditures except those that reduce operating costs or are required by changes in law, in each case amortized over the reasonably estimated useful life.

ARTICLE 6 - TAXES AND INSURANCE

Tenant shall reimburse its Proportionate Share of real estate taxes and assessments and Landlord's property and liability insurance costs allocable to the Shopping Center. Landlord may collect estimated monthly installments and shall deliver an annual reconciliation. Tenant may inspect reasonable supporting records on prior written notice.

ARTICLE 7 - MAINTENANCE; HVAC; ROOF

Landlord shall maintain foundations, structural walls, roof structure and Common Areas. Tenant shall maintain the interior, storefront, doors, plumbing and electrical systems exclusively serving the Premises, and HVAC equipment serving only the Premises. Costs caused by the negligence or misuse of a party shall be borne by that party.

ARTICLE 8 - ALTERATIONS; LIENS

Tenant may make non-structural alterations not affecting building systems if the aggregate cost is less than $100,000 in any twelve-month period. Structural alterations, roof penetrations and material utility changes require Landlord's prior written consent. Tenant shall discharge or bond mechanic's liens arising from Tenant's work.

ARTICLE 9 - SIGNS AND IDENTITY

Tenant may install and maintain facade, monument and directional signage consistent with approved plans and applicable law. Tenant may update trade dress and logos without Landlord's consent if dimensions and locations remain substantially unchanged.

ARTICLE 10 - EXCLUSIVE USE

While Tenant is open and operating and not in material default beyond applicable cure periods, Landlord shall not enter into a new lease for more than 10,000 square feet within the Shopping Center whose primary permitted use is a full-line grocery supermarket. Existing uses, pharmacies, restaurants, specialty food stores and convenience uses are excluded from this restriction.

ARTICLE 11 - ASSIGNMENT AND SUBLETTING

Tenant shall not assign this Lease or sublet all or substantially all of the Premises without Landlord's prior written consent, not to be unreasonably withheld where applicable. Tenant may transfer to an affiliate or successor resulting from merger, reorganization or sale of substantially all operating assets if the transferee has adequate financial capacity. No transfer releases Tenant unless Landlord expressly agrees in writing.

ARTICLE 12 - CASUALTY

If the Premises are materially damaged by casualty, Landlord shall repair insured structural components with reasonable diligence and Tenant shall repair its fixtures and improvements. Base Rent shall abate proportionately while a material portion of the Premises is unusable. Either party may terminate in specified circumstances if restoration cannot reasonably be completed within twelve months or if the casualty occurs near the end of the Term.

ARTICLE 13 - CONDEMNATION

If all or a material part of the Premises is taken by eminent domain such that continued operation is impracticable, either party may terminate as of the taking date. Otherwise the Lease shall continue with an equitable reduction in Rent. Landlord shall receive the award for the real property; Tenant may pursue a separate award for moving costs and trade fixtures if such claim does not reduce Landlord's award.

ARTICLE 14 - INDEMNITY; INSURANCE BY TENANT

Tenant shall maintain commercial general liability insurance of not less than $5,000,000 combined primary and umbrella limits, workers' compensation as required by law, and property insurance on Tenant's personal property and improvements. Each party shall indemnify the other from third-party claims to the extent caused by its negligence or willful misconduct.

ARTICLE 15 - DEFAULT BY TENANT

Tenant shall be in default if Tenant fails to pay Rent within five business days after written notice, provided Landlord need not give more than two such notices in any twelve-month period, or if Tenant fails to perform a non-monetary obligation and does not cure within thirty days after notice, subject to reasonable extension where cure cannot diligently be completed within thirty days.

ARTICLE 16 - LANDLORD REMEDIES

Following an uncured Event of Default, Landlord may exercise remedies available at law or equity, including termination of possession, recovery of amounts due and reletting, subject to Landlord's duty to mitigate to the extent required by law. Remedies are cumulative except to the extent prohibited by law.

ARTICLE 17 - LANDLORD DEFAULT

Landlord shall not be in default unless Landlord fails to perform an obligation within thirty days after written notice from Tenant, subject to additional time reasonably necessary for a cure that cannot be completed within thirty days. Tenant shall not offset Rent except pursuant to an express right in this Lease or final judgment.

ARTICLE 18 - SUBORDINATION; ATTORNMENT

This Lease is subordinate to present and future mortgages encumbering the Shopping Center, provided a future mortgagee agrees, upon request and on its customary form, not to disturb Tenant's possession so long as Tenant is not in default. Tenant shall attorn to a purchaser following foreclosure subject to such non-disturbance protections.

ARTICLE 19 - ESTOPPEL CERTIFICATES

Within ten business days after request, each party shall execute an estoppel certificate confirming, to its knowledge, the status of this Lease, dates through which Rent has been paid, known defaults, amendments and other customary matters. A lender or purchaser may rely on the certificate.

ARTICLE 20 - FINANCIAL INFORMATION

Upon reasonable request in connection with a financing or sale, Tenant shall provide financial information customarily provided by similarly situated private tenants, subject to confidentiality protections, unless Tenant's parent financial information is publicly available.

ARTICLE 21 - ACCESS

Landlord may enter the Premises on reasonable prior notice to inspect, make repairs or show the Premises to lenders or purchasers, except that emergency entry may be made without prior notice. Landlord shall use reasonable efforts not to interfere with Tenant's business.

ARTICLE 22 - RENEWAL OPTIONS

Provided Tenant is not in material default when exercised or at commencement, Tenant shall have two successive five-year renewal options. Tenant shall exercise an option by written notice not earlier than fifteen months and not later than nine months before expiration. Base Rent during each option period shall be 95% of then-current fair market rent for comparable grocery-anchor space, but not less than the Base Rent payable immediately before the option period.

ARTICLE 23 - NOTICES

Notices required by this Lease shall be in writing and delivered by nationally recognized overnight courier, certified mail, or personal delivery to the notice addresses stated in the Basic Lease Provisions, with copies to counsel if designated. Notice is effective upon delivery or refusal.

ARTICLE 24 - BROKERS

Each party represents to the other that it has dealt with no broker other than the brokers identified in a separate commission agreement. Each party shall indemnify the other from claims arising from its contrary representation.

ARTICLE 25 - SURRENDER

At expiration or earlier termination, Tenant shall surrender the Premises broom-clean, remove personal property and trade fixtures, repair material damage caused by removal, and leave Landlord's building systems in the condition required by this Lease, ordinary wear and casualty excepted.

ARTICLE 26 - MISCELLANEOUS

This Lease and its exhibits constitute the entire agreement concerning the Premises and may be amended only by a writing signed by Landlord and Tenant. Texas law governs. Waiver of one breach is not a waiver of another. If a provision is unenforceable, the remainder remains effective. Time is of the essence for dates expressly stated to be critical. Headings are for convenience only.
